<http://elib.mi.sanu.ac.rs/files/journals/ncd/24/ncd24080.pdf> (description of the database in English)

Responsible institution: the National Library of Montenegro “Đurđe Crnojević”;
contact person: Milorad Milović: milorad.milovic@nb-cg.me

Period covered: 1494-1994

Selection criteria: National bibliography includes:

- all books, brochures and musicals printed on the territory of Montenegro since 1494, regardless of the language, script and national origin of the author;
- all publications printed abroad by Montenegrin publishers;
- all official publications printed on the territory of Montenegro, as well as those published by Montenegrin publishers abroad;
- newspapers, periodicals, anthologies, almanacs, bulletins and calendars etc. which were published in Montenegro;
- all works of the Montenegrins and other authors of Montenegrin origin published abroad, regardless of their language and script;
- all publications concerned with Montenegro and the Montenegrins, regardless of their language and the place of publication.

The RNB of Montenegro covers the period from 1494 to 1994. It consists of 32 books published in four volumes during 1989-2012.

Vol. I: includes books (monographies) – **book 1 (1494-1496); book 2 (1519-1683); book 3 (1834-1918);** books 4-10 (1919-1994).

Vol. II: periodicals – **book 1 (1843-1985);** books 2 (1985-1994)

Vol. III: articles – **book 1 (1835-1855);** books 2-15 (1886-1985)

Vol. IV: publications concerned with Montenegro in foreign languages – books 1-5 (1532-1994)

The digitization of the NRB of Montenegro has begun with the scanning of the entire material of printed catalogues, whereby the scanned pages were saved in JPG format, with the appropriate quality for browsing. Text files were created based on the register pages via the optical character recognition program. It has created an opportunity for various types of search options by the author, publisher, date and place of publication, geographic names etc.
