

SWITZERLAND

Electronic RNB database: bsg.nb.admin.ch

Period covered: after 1673

Identity number: CHBSG + database number

Responsible institution: the Swiss National Library (Schweizerische Nationalbibliothek/Bibliothèque nationale suisse) — the Department of Bibliographical Access

Selection criteria: all materials published in Switzerland and abroad. The term “Switzerland” means the country’s current territory, irrespective of former political allegiances. Foreign territories linked to the Confederation at the start of the modern era are also included.

Contact: Elodie Wälti, Manager of the Bibliography on Swiss History of the Swiss National Library: bsg@nb.admin.ch.
