

UNIVERSITY OF PATRAS DIGITIZATION PROJECTS

filling gaps
in humanities research

LIBRARY & INFORMATION CENTER
UNIVERSITY OF PATRAS

Digital collections

- Kosmopolis (19th century)
- Pleias (19th-20th century)
- Daniilis (regional interest)

Κοσμόπολις

Πλειάς

Δανιήλις

Latest addition

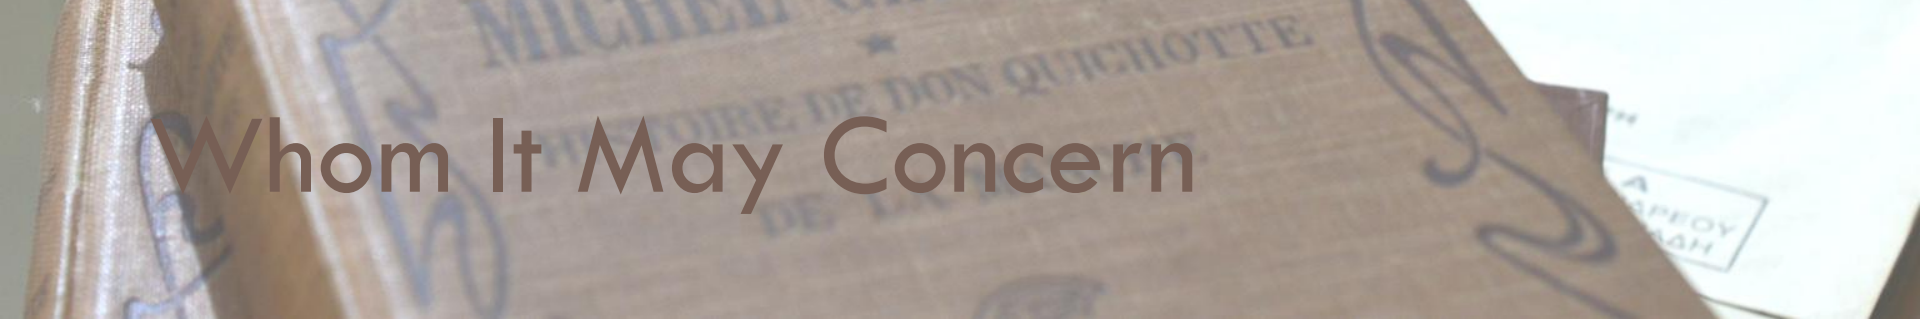

- Diogeneia (general archival interest)

Διογένεια

- Details at http://www.lis.upatras.gr/en/digitalcollections-en/

Who, How and Key features

- Open Access
- Collaboration within and outside the UPAT
  - Department of Philology
  - Hellenic Literary and Historical Archive (E.L.I.A.)
  - Municipal Library of Patras
  - Library of the Parliament
- Partially funded by project TELEPHAESSA
- Technically provided on OJS (Open Journal System)

Whom It May Concern

- Philologists
- Historians and Historians of the Press
- Academics
- Everyday users

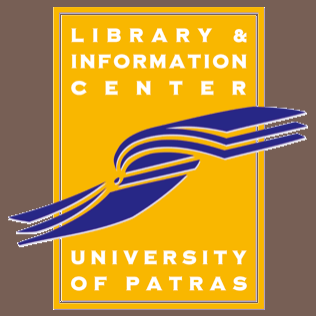

Some steps forward

- Make good use of relative curricula

  i.e. through internship or theses

- Adding new features, such as authorities for bibliographic description (lifting some language barriers)
- Some technical and content problems still exist, but Openness manages to exceed them all!

THANK YOU FOR YOUR ATTENTION
